

2015 Snoqualmie Valley Cup Matches

The golf courses in the Valley have been having these Matches for the past few years and have asked us to join in.

The Matches are held about every two or three weeks on a Tuesday at one of the Valley Courses.

Our Course would have 7 members and one golf professional join the other teams for some friendly games.

Groups will be set up by handicaps with the lowest 4 or 5 players (one from each course) playing together, then the next four, and so on. The Professionals will play in one group together.

Tee times will be at 2:00 p.m. for each event and are 18-holes.

Cost for each event will be \$25 for green fees and a \$10 side game.
