Participation

- Players can sign up and play in the league anytime. You don't have to start on the first week.
- Weekly participation is not required. The League is designed to accommodate busy schedules.
- Bring your friends! Wednesday Night League is a social evening – we'll play rain or shine every week!

Start Time

- Spring League check-in is 2:00 p.m. – 4:30 p.m. (Later starts will follow. Right now, we're racing daylight!)
- Players are asked to call the pro shop in advance and sign up individually or as a group each week.
- League rounds can be played any time after 2:00 p.m. on Wednesday. Simply make your tee time with the pro shop and pay the league fees. Return your signed scorecard to the pro shop after the round and we'll get it posted.

Player Requirements

- All competitors must play by the Rules of Golf and any Local Rules posted by the pro shop.
- Players competing in League **must play with at least one other competitor** who is also in the League.
- Incomplete groups (less than 4) are asked to assist the pro shop and invite other singles in the League to join them.
- Wednesday League is played from the **White tees**.
- Completed scorecards are to be signed by all competitors in the group.
- Competitors are responsible for signing up and making tee times with the pro shop. Greens fees & League fees are required each week and are to be paid at the pro shop when checking in.

Competition

Points awarded as follows:

Over Double Bogey - 0
Double bogey - 1
Bogey - 2
Par - 4
Birdie - 6
Eagle - 8
Double eagle - 10

- League competition is individual Stableford (points). Competitors will accumulate points based on the score made on each hole. For example: If a player makes par on hole #1, he'll earn 4 pts. If he makes double bogey, he'll get 1 pt. Anything worse than a double bogey is 0 pts. This format allows the competitor to pick up on a hole (make an x) and not be disqualified from the competition. Players competing in the handicap division will have their handicaps factored into their final score by the committee.
- All scoring calculations, handicapping, rules enforcement, awards, etc. will be conducted by the League Committee (Chad Tachell, TBHGC staff and officers)
- Players will compete weekly for prize monies. High point totals in each Division wins!
- Players will also be competing for season-long payouts. The Spring League is 12 weeks long. The best six (6) rounds from each competitor will be calculated to determine season awards by division. Players must have 6 rounds to qualify.

Payouts

Winnings will be paid out weekly and at the end of each season. All monies will be credited to accounts at The Blue Heron or on gift cards. Accounts and gift cards can be used for all purchases at The Blue Heron including tournament fees. **Winnings cannot be used for cash side games.** Players will be provided with a web address to track results online throughout the season!
