

The Blue Heron Golf Course
Choose-up in 2017

Who remembers how great Saturday morning Choose-up used to be at the course? It was a time when you could just come out, play golf and enjoy a non-tournament event on a Saturday. Whether you came with a group or by yourself, you always knew you would have a game! It is a great way to meet friends old and new while playing a non-formal event.

The cost is always a \$10 per player competition fee plus green fees. All players who show up have their name thrown into a hat and 2-person teams are selected. The format is 2-person best-ball (gross and net) with winnings paid in cash after the round.

CHOOSE-UP IS COMING BACK to The Blue Heron and all you have to do is show up on a **non-tournament** Saturday (see 2017 Member Schedule) and tell the pro shop desk you're playing choose-up. You can also call ahead and put your name on the list (which would be nice) but it's not required.

Choose-up will begin on Saturday, March 4th. Tee times will begin at 8:30 a.m. so arrive or call by 8:00 a.m. to get on the tee sheet.

We look forward to making this a success, so please help us get off to a great start!! Choose-up is open to anyone with a GHIN handicap. If you don't have a handicap established yet, come on out and play in the group without the competition and establish your handicap!
